Step 1 of 2: Add Webex to Chrome

Follow this one-time process to join all Webex meetings quickly.

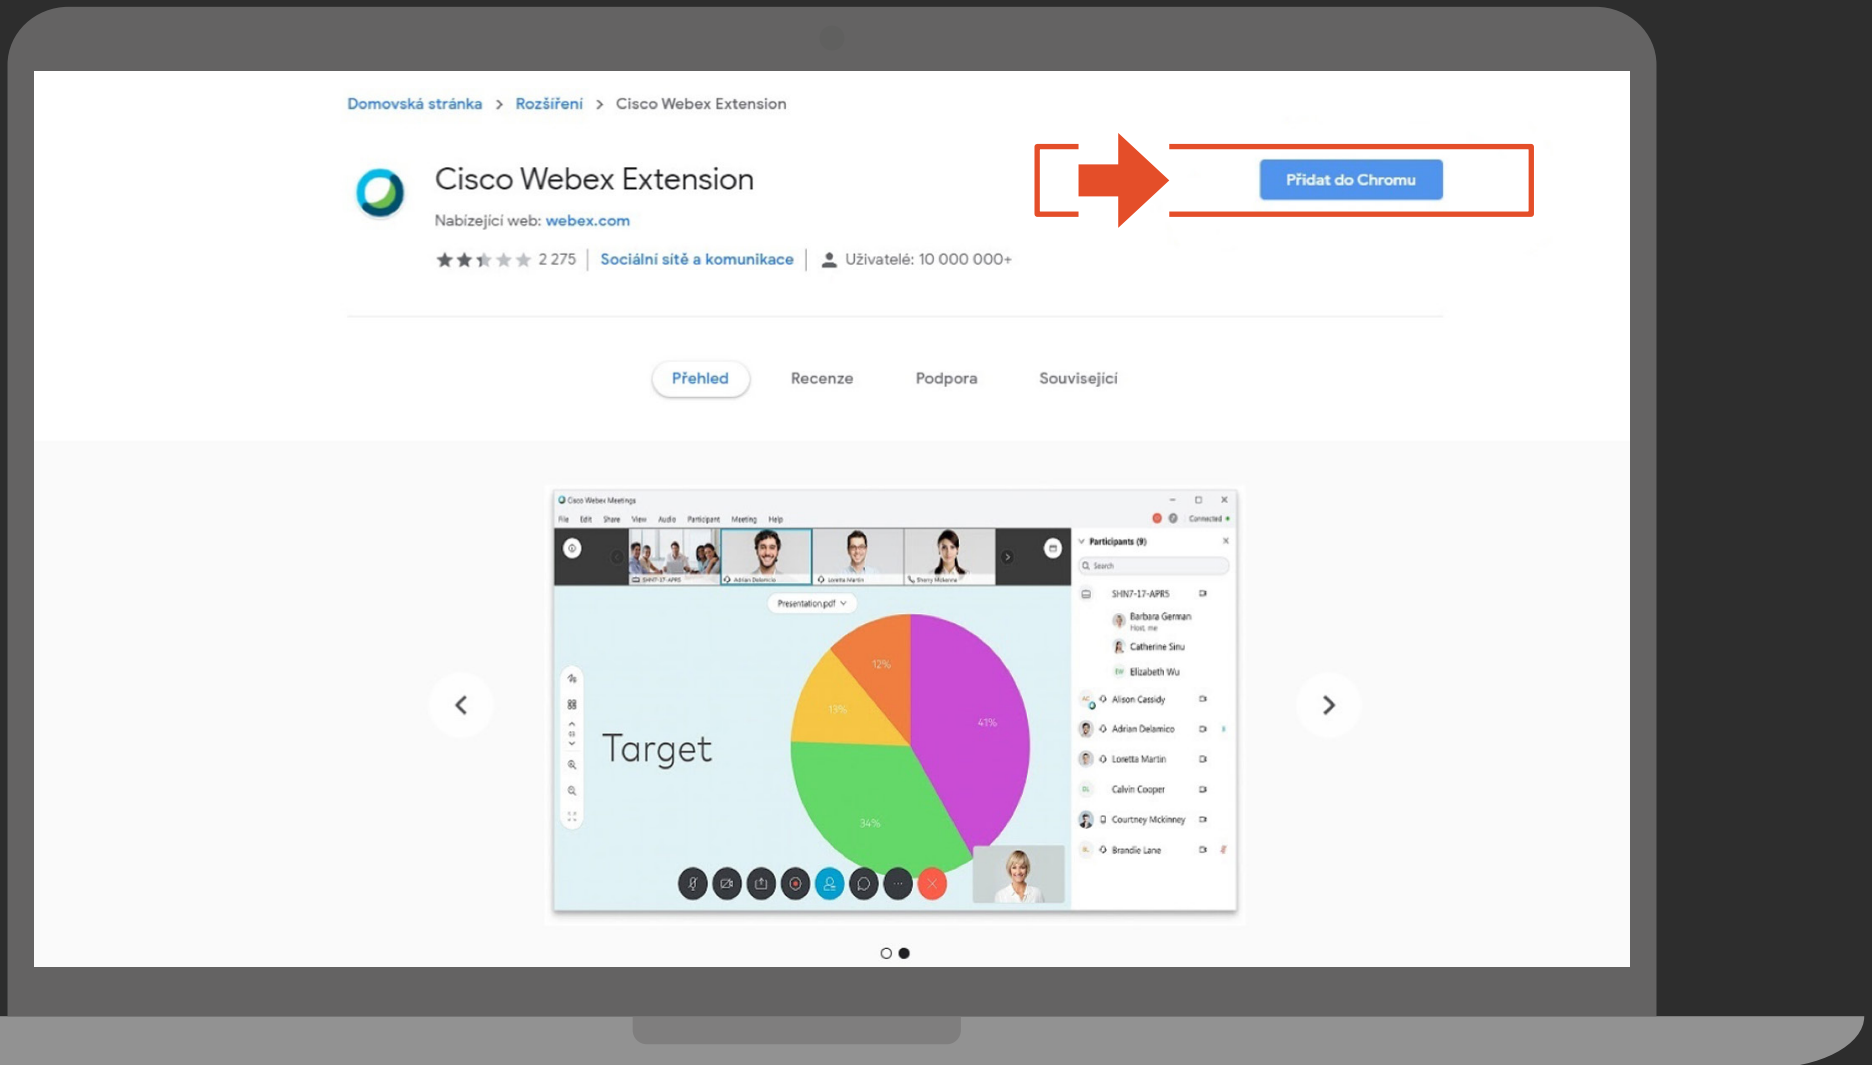

The diagram illustrates a two-step process for installing the Webex extension. Step 1 shows a green button labeled 'Add Webex to Chrome' on a webpage. Step 2 shows the 'Cisco Webex Extension' card in the Chrome extension store with a blue 'Add to Chrome' button.

1. Click the 'Add Webex to Chrome' button on the meeting page.
2. Click the 'Add to Chrome' button in the Chrome extension store.

Don't want to use an extension? [Run a temporary application](#) to join this meeting.
